SUPPLEMENTARY DECLARATION IN SUPPORT OF PETITION

I, Anthony Castorina, of 2001 Jefferson Davis Highway, Suite 207, Arlington, Virginia, further declare as follows:

1. As I have previously declared, since 1997 I have been the local correspondence address of Mark M. Friedman of Tel Aviv, Israel on all U. S. Patent and Trademark applications filed in the USPTO on which he is the attorney of record.
2. My duties and responsibilities as the local correspondent of Dr. Friedman are to receive, open, docket and forward all mail addressed to Dr. Friedman at the above address. I personally open all the mail addressed to Dr. Friedman, docket in a log all USPTO actions, package all the mail received, Federal Express in Arlington, Virginia for shipment to Dr. Friedman in Israel, and notify him of the Federal Express waybill number.
3. After having been informed by Dr. Friedman that he had received a Notice of Abandonment on the above identified application for failure to respond to a Notice of Missing Requirements, he instructed me to review my records from May 17, 2000 to June 17, 2000 to determine whether I had recorded receipt of such Notice of Missing Requirements or any other action around this time period for the subject patent application.

4. I thereupon reviewed [REDACTED] records for the time period requested by D. Ledman, and did not locate any notation of such Notice of Missing Requirements during the time period in question in my log book routinely kept by me. True copies of the pages from those entries were previously attached. Enclosed is a true copy of the missing page of entries made for the week of June 19-23, 2000.

5. As is evident from the docket sheets, no entry was made, and there is no record indicating receipt of USPTO actions that had a response due date of July 17, 2000.

6. As such I can state with reasonable certainty that I never received such Notice of Missing Requirements or any other action with respect to this application at any time between May 17, 2000 and June 17, 2000.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
